Subject: Open Letter to EPA Employees

Dear EPA Leadership,

Please find attached an Open Letter to EPA Employees, meant to express support and encouragement for the important work each of you do every day to protect public health and the environment. We hope this letter lifts your morale, further educates the public about the importance of a strong EPA, and better informs Congress as 2018 appropriations are taken up. On behalf of the 2125 people who have signed the letter so far, including 704 former EPA employees, I would appreciate your forwarding this email and letter to your staff, to the extent you're able and inclined.

Happy Holidays and best wishes for a productive and healthy year ahead, Mary (EPA 1993-2005)
